

HUNT LONGER, HUNT SMARTER,

HUNT BOONETOWN

CHOOSE BOONETOWN FOR YOUR NEXT HUNTING ADVENTURE

# HUNT LONGER • STAY COMFORTABLE • BE INVISIBLE

Boonetown Hunting Blinds offers a range of **high-quality hunting blinds** designed to **enhance your hunting experience** by providing scent proof, soundproof, and weatherproof shelters.

## BOONETOWN HUNTING BLIND CONSTRUCTION

- All fully assembled hunting blinds consist of
- 2x3 framing.
- ½" OSB interior floor and roof sheeting.
- Fully insulated floors and walls using 1½" insulation (sheeting is glued to frame to eliminate squeaks).
- The exteriors feature a ¾" thick engineered composite panel.
- Commercial grade PVC roofing (one piece PVC roof, no seams to leak).
- Fully carpeted interior walls and floors
- Bottom of floor is sealed to eliminate bees' nests, etc.
- Accessory shelf included
- Tinted windows (⅛" plexiglass)
- Aluminum flashing on all exterior seams except bottom of floor (creates a much tighter seal against insects and weather).
- Weather stripping against all windows prevents bugs and weather from entering the blind (also helps contain scent).
- Lockable door with two sets of keys included.
- Two 4" vent holes for heater fumes.
- 4" vent plugs to contain scent
- All of the large Boonetown windows slide up and are weighted by a sand bag allowing you to open the window at your preferred height, the narrow windows are on a 30" piano hinge and swing inwards with an L-shaped poly hook ready to secure and keep the window locked so you can take your shot.

**SOUNDPROOF • SCENT PROOF • WEATHERPROOF**  
**MOST OF ALL, READY FOR AN ALL DAY SIT.**

## METAL TOWER STANDS FEATURE

- Strong grooved metal steps for slip resistance.
- 3' landing for entering blind with handrail included to ensure a safe entry.
- Eight self-tightening cables to keep the blind sturdy.
- Four anchors included to secure the blind.
- Hardware and directions for installation included.
- Metal stand is powder-coated for years of durability against weather conditions.
- Leg patterns drawn on bottom of blind floor.

Our metal tower stands sit at a standard height of 8', but are extendable up to 12' for enhancing visibility and adaptability to various hunting environments. Each leg is adjustable with holes every 3" to give you the ability to level your blind according to the terrain.

# THE BOONETOWN X SERIES

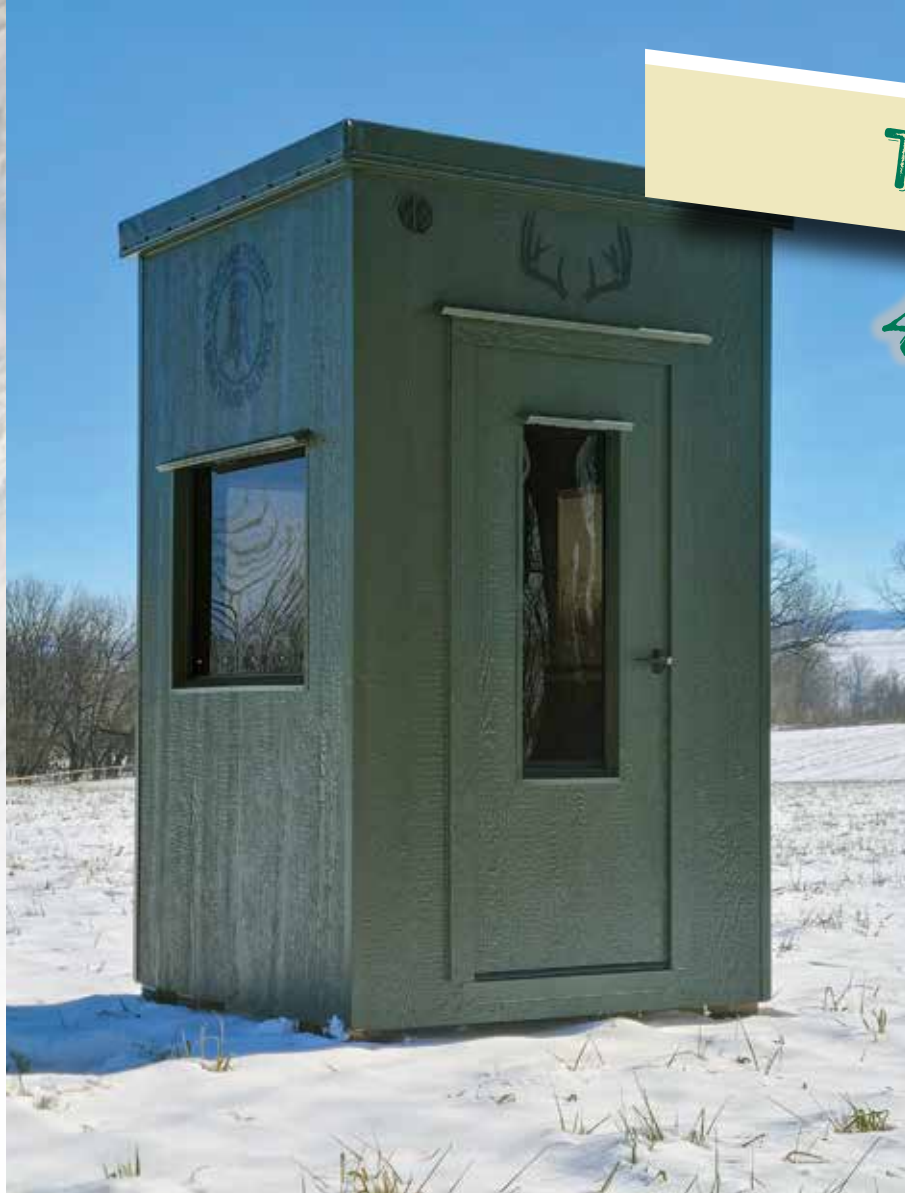

## 6x6 Octagon Blind

The Boonetown Series is directed towards rifle and crossbow hunters, with window dimensions of 30" wide and 20" high that start 36" from the bottom of the floor. This allows a perfect rest for your gun or crossbow giving you a perfect shot at your target animal. Interior window rests are included as shown in picture. Accessory shelf is standard in every Boonetown model.

# THE CONDO SERIES

## 4x4 Square Blind

For those requiring a more compact solution, The Condo Model 4x4 Square Blind offers versatility and comfort in a smaller footprint. Designed for crossbow and rifle hunters, its size allows for placement in areas closer to travel corridors and bedding zones, providing concealment without compromising on essential features.

### BASE STANDS

The condo base stands are only available in wood and include the following height options

- 8" wood base with 10' metal stairs to ensure an easy climb
- 8' High wood base stand included
- 10' metal stairs with handrail to ensure an easy climb, handrail included.
- Four 8' PT 4x4s
- Eight 8' PT 2x4s
- Four metal 4x4 post brackets
- 2' grab bar mounted on exterior to ensure a safe entry
- Anchor system and hardware included
- This 8' wood base stand is available to all of the Boonetown models
- 4x4 metal post brackets to receive wood posts. Anchoring kit and hardware included.

*This option is available for all hunting blind models.*

# THE PALACE SERIES

## 5x6 Square Blind

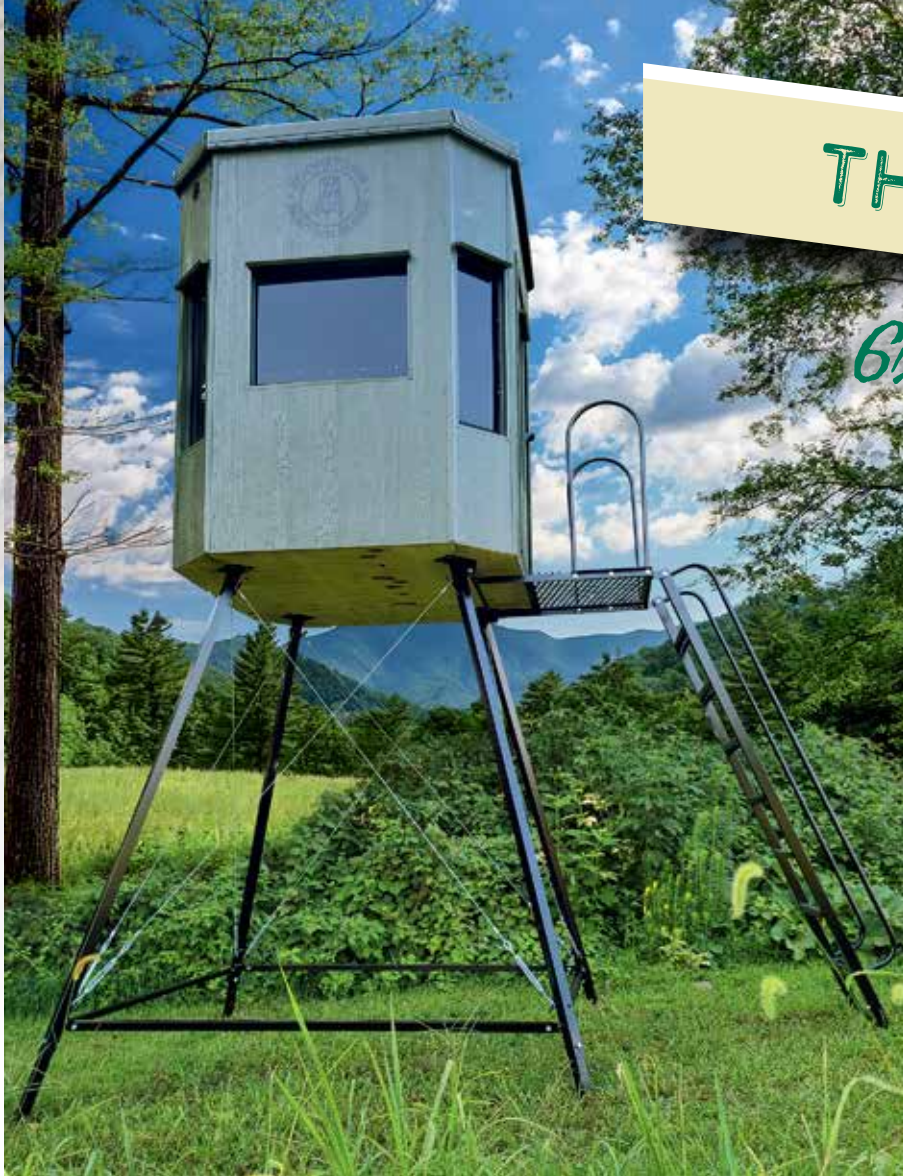

The Palace Model 5x6 Square Blind is a spacious option that can accommodate up to three hunters. Its offset door design maximizes the viewing area, making it suitable for placement in tighter spots without sacrificing interior space. This model is ideal for hunters seeking comfort and a wide field of view during their expeditions.

# THE HIGH RISE SERIES

## 6x6 Octagon Blind

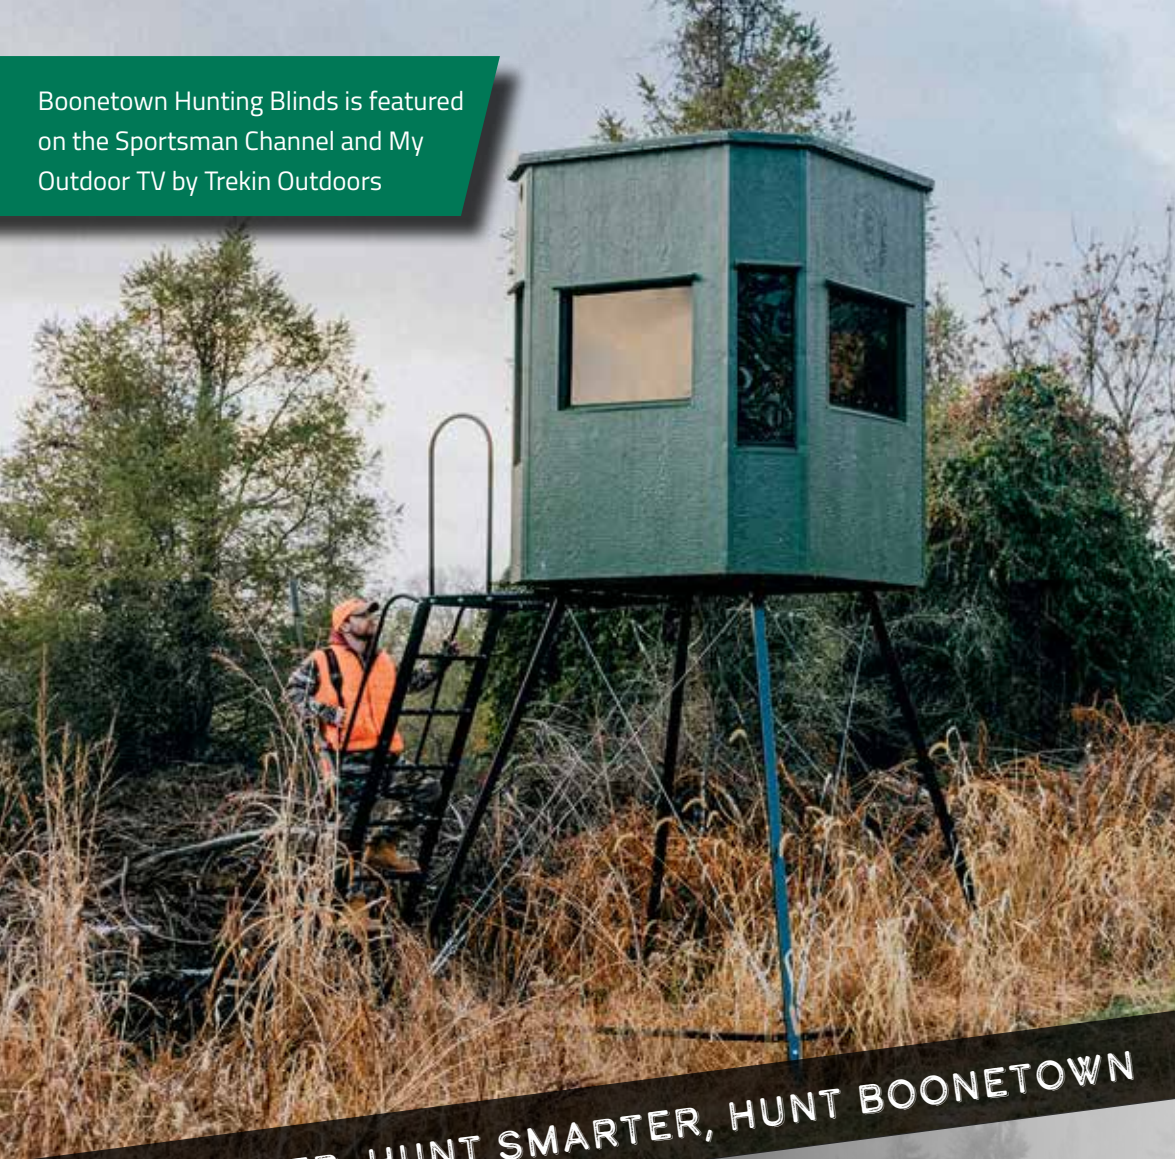

Boonetown provides The High Rise Model 6x6 Octagon Blind, which comfortably fits two hunters and is suitable for use with any weapon during open hunting seasons. Its octagonal shape and elevated design make it ideal for placement at the edge of food plots or open fields, offering an extended hunting season even in challenging weather conditions.
